

Biography

PAUL J. TREAT

Army Senior Fellow
Deputy Under Secretary of the Army

Paul Treat was selected for the Army Senior Fellows Program in 2007. He is the first civilian to be accepted into the Army War College Senior Service College Fellows Program, where he is currently providing Army strategic communication for international security studies at Tufts-Fletcher University. Prior to this, he assumed the position of Acting Director for Internal Logistics at the Army Materiel Command Headquarters where he established new command functions for stationing and logistics.

Before assuming his role as an Army Senior Fellow, Mr. Treat served as the Office Chief for Strategic Planning and Lean Six Sigma at White Sands Missile Range, New Mexico, where he oversaw the day-to-day execution of business transformation for a major test and evaluation facility. He also led special studies and initiatives in privatization, community outreach, information assurance, range scheduling, executive development, and instrumentation development.
